INVITATION TO BUSINESS EVENT

PRESENTING THE **SLOVENIAN** CONSTRUCTION INDUSTRY AND THE PUBLIC UTILITY SECTOR ON EXPO 2020, DUBAI, UAE

Professional event on achievements in water supply and wastewater collection and treatment projects in Republic of Slovenia

Dear Madam/Sir,

Chamber of construction and building materials industry and Chamber of Public Utilities at Chamber of Commerce and Industry of Slovenia is pleased to invite you to a business event presenting Slovenian construction industry and the public utility sector.

At the event we would like to present our professional achievements in planning, implementing and managing public infrastructure projects in the field of drinking water supply and wastewater collection and treatment, which were implemented in Slovenia within the Operational Program for the Development of Environmental and Transport Infrastructure and which were financed by the European Union development financial funds.

**The event will be held on March 23, 2022,
from 11.00 to 16.00 on the Slovenian Pavilion**

The event will be joined by the Minister of the Republic of Slovenia for the Environment and Spatial Planning, Andrej Vizjak, MSc.
